

Blueprint for Success

- ✓ **Get started by viewing the People, Product, Process video**
See why AIG Partners Group is the ultimate relationship partner for successful, independent, client-focused groups and their producers.
- ✓ **Register for eStation at aig.com/us/pg**
eStation is a dedicated website that offers product and marketing information, new business applications and forms, and information on your pending cases, commission statements, and in-force business. The Introduction to eStation Tutorial on Career Campus will help get you started.
- ✓ **Explore our Quality of Life...Insurance® product suite at qualityoflifeinsurance.com**
Consumer-oriented videos and printed materials are available, as well as agent guides, so you can learn more about our innovative protection and income solutions and share these concepts with your clients.
- ✓ **Access Career Campus to complete product training courses and webinars**
Career Campus offers engaging online learning modules to help you understand what we offer, how our products work, and how to submit your new business.
- ✓ **Sell with Confidence using a consultative approach and professional language**
Up your game with the Appointment Setting Mastery, Referral Champions, and Consultative Selling programs, all available on Career Campus. A video series is provided with printed scripts books, workbooks, success guides and training presentations to build your sales skills.
- ✓ **Begin generating illustrations with our customized illustration software**
Our illustration system can help you generate personalized illustrations for your clients or demonstrate advanced marketing sales concepts to business owners.
- ✓ **Learn about submitting eApplications and new business processing**
Using our state-of-the-art online application streamlines the application process with a secure method for collecting required eSignatures. Career Campus tutorials walk you through each step in the process.
- ✓ **Review the Contact List so you know where to go for help or call 1-800-358-5753, option 1**
We have a team of experienced financial service experts ready to help you.
- ✓ **Stay Compliant**
Our industry is built on trust. The way we maintain that trust is by adhering to company and industry rules. Follow the Company's compliance guidelines in performing your daily activities.
- ✓ **Request Forms**
Forms Depot, launched from eStation, is your online system to print or email forms. You can also request printed materials to be sent to your location.

Let's Get to Work!
