

Take control of your financial future

Planning for retirement when you're a woman carries challenges unique to your experience. A woman's finances are expected to do more and for longer – with less.

Know where you are

Plan for your future

- 43%** of women **do not have 1 month of non-retirement savings.**²
- 45%** of women (compared with 55% of men) **correctly answered financial-related questions.**²
- 33%** of women **do not have a retirement strategy**³
- 46%** of women **own life insurance** (compared with 57% of men)⁴

- 5.9 years** is the average amount of time **women outlive men.**⁵
- 19.7 years** **life expectancy** for women at age 65⁵
- 2 of 3** of those **suffering from Alzheimer's disease** are women⁶
- \$320,000** **projected healthcare spending** by a healthy woman who retires at age 65⁷

Move toward a comfortable future

We can help you navigate the potential problems while addressing your unique needs and specific circumstances.

Policies issued by **American General Life Insurance Company (AGL)**, Houston, TX except in New York, where issued by **The United States Life Insurance Company in the City of New York (US Life)**.

Diversify your financial plan with life insurance

Today's life insurance offers financial flexibility — even while you're living. Add more to retirement with tax benefits that give you peace of mind before, during and after retirement.

Protect your financial future

Whether you have a paying job, are a homemaker, single, married, divorced or widowed, every woman needs to protect the financial future for her and her family. Keep yourself and loved ones secure whether paying for your own long-term care, providing your family with financial support, or passing on expenses that may be the responsibility of family members.

Let your financial professional guide you to the right Corebridge products and options.
